## ENVIRONMENTAL POLICY

As Arma Inc., considering the needs and expectations of our related parties,

We are committed;

- To continuously improve our environmental performance and quality, to contribute to raising environmental awareness of our employees, suppliers, customers and society, and to create environmental awareness,
- To act in accordance with all local and national laws and obligations while carrying out our activities and to develop practices beyond these,
- To protect the environmental balance and natural resources by adopting an environmental management approach based on continuous development and improvement,
- Preventing the wastes generated as a result of our activities at the source, minimizing the amount of waste and, if this is not possible, eliminating them in accordance with the legislation,
- Being aware of the limited nature of natural resources, focusing on the correct management of waste, adaptation to climate change, zero waste and supporting sustainability, and minimizing our impact on the life cycle.
