ARMA INT'L SHIP SUPPLY INC.

QUALITY AND FOOD SAFETY POLICY

Our Objective;

Adhering to the Food Safety and Management System and its Requirements within the Stability and Plan Framework, to Meet Our Customers with Quality and Food Safety Standards and to ensure that their expectations are met at the highest level. To Set Measurable Goals to Achieve the Goals of the Quality and Food Safety Management System and to Evaluate the Targets Regularly. To Provide Proper Conditions of Internal and External Communication in a Healthy Way,

For that Objective,

Following the Sectoral and Technological Developments Continuously and Systematically by Fulfilling All Standards of Laws and Legislations. Ensuring that our employees act with this awareness and diligence in all applications for which they are responsible, can take quality and food trust, remove the appearances, problems and complaints, take urgent measures and then carry out continuous improvement studies to minimize them.

With this responsibility awareness, "Quality and Trust" were born together in Arma Ship Supply Inc. and they continue to develop together.

Chairman of the Executive Board
